

STATEMENT ON HUMAN AND ANIMAL RIGHTS

*Journal of Medical Biochemistry*¹

The *Journal of Medical Biochemistry* adheres to the Uniform Requirements for Manuscripts Submitted to Biomedical Journals: Writing and Editing for Biomedical Publication¹. All articles under consideration that experiment on human subjects and animals in research are required to have institutional review board approval in accord with ethical standards set forth in the Uniform Requirements for Manuscripts Submitted to Biomedical Journals at http://www.icmje.org/ethical_6protection.html.

The authors should provide the written informed consent that study was approved by the Institutional Ethics Committee and was carried out in accordance with *The Code of Ethics* of the World Medical Association for experiments involving humans.
